CHRISTMAS SEALS AID

MEDICAL RESEARCH

Christmas Seal funds are currently adding medical research to a greater extent than ever before, according to Dr. Frank W. Barden, Kennebec, president, of the Maine Tuberculosis Association which conducts the Christmas Seal Sale locally.

The tuberculosis associations throughout the country through their affiliation with the National Tuberculosis Association are contributing to the support of 42 medical projects in laboratories, hospitals, and clinics in all sections of the country.

Grants totaling \$236,585 are now in effect. This sum includes allocations from the National Association from the percentage of Christmas Seal funds it receives from the affiliates, from special contributions for research from state and county associations, and a few special bequests.

Studies being aided by the Christmas Seal grants range from chemical dissection of the infinitesimal tubercle bacillus, the specific causative agent of tuberculosis, to a large cooperative clinical study on the value of a drug in preventing dangerous spread of the disease in children with early tuberculosis.

The studies of the tubercle bacillus include one directed at learning more about how the "poison" of the drug are produced in the hope that a method will be found to block the toxic mechanism.

The drug prophylaxis study was organized by the Public Health Service with the cooperation of a number of pediatric centers throughout the country and the National Tuberculosis Association. The purpose is to find out whether children with primary tuberculosis can be protected from such serious complications as tuberculosis meningitis and military tuberculosis by treatment with isoniazid.

One investigator is using monkeys to study the effect of drugs on tuberculosis in an animal in which conditions simulating those of man can be produced.

Still other grants are making possible studies of a type of bacillus being observed with increasing frequency which resembles the tubercle bacillus yet appears to be distinct from it.

Other investigators are studying factors related to immunity to tuberculosis; the physiological effect of tuberculosis on the function of the lung; the mode of action of drugs used in treating tuberculosis; the value of drugs in treating forms of tuberculosis other than pulmonary; the treatment of tuberculosis in children; and the course of sarcoidosis, a disease of the chest which has certain manifestations similar to tuberculosis.

Christmas Seals were sent to residents of Bethel and Oxford County on November 15. In addition to medical research projects they make possible programs of health education, case-finding, medical social services, rehabilitation and the promotion of general school and public health work.

EMERY WINS "WHO'S WHO" COLLEGE NOMINATION

Richard S. Emery, son of Mr. and Mrs. Theodore F. Emery, a senior in the School of Advertising Design of Pratt Institute, Brooklyn, N. Y., has been nominated for inclusion in the 1956-57 Edition of "Who's Who Among Students in American Universities and Colleges."

MAINE TO SEND FOUR TO NATIONAL JUNIOR VEGETABLE CONVENTION

Maine will send four representatives to the National Junior Vegetable Growers Convention in Atlanta, Georgia, December 5 to 12. They are: Cliff Norman, Alfred Gagnon, of Wells; Bryan Currier, of Norridgewock; and Frederick Davidson, of Abbot; and Robert W. Paulson, of Orono, Extension Service vegetable specialist and coach.

Beginning with the Citizen

of Dec. 6, the single copy price will be seven cents, and the subscription price \$3.00 a year. This advance was made reluctantly, as the only way to meet an accumulation of increasing costs and keep the Citizen at its present standard. The last increase was made more than 10 years ago when all expenses of operation were much less.

SAUNDERS HOLDS LEAD IN LEGISLATURE CONTEST

Addison C. Saunders, Democrat, of Bethel, holds the winning margin in the contest for representative to legislature from the Bethel district after an inspection of ballots at Augusta Monday. His Republican opponent was Henry H. Hastings of Bethel.

The original count, 730 for Saunders and 730 for Hastings, will be allowed to stand, although the unofficial inspection tally showed Saunders' lead narrowed to 6 votes with 12 in dispute—7 cast for Saunders and 5 for Hastings.

HALF OF JOBS ARE RESTRICTED TO WORKERS UNDER THE AGE OF 45

More than half the job openings in the United States are closed to people over 45, and in some cities the proportion goes as high as 70%, according to the editors of "Changing Times," The Kiplinger Magazine.

Clerical, sales and unskilled jobs are the ones most frequently closed to older workers, but a surprising high proportion of skilled and professional jobs are restricted too. Age prejudice turns up most in these industries: Durable goods manufacture, insurance, real estate, and wholesale and retail trades. Old job seekers get better breaks in service industries and in the construction business. One big employer that hires without much age prejudice is the federal government.

People over 45 who are job hunting should bear these tips in mind. Examine your outlook. Tough as people may seem, industry needs people, and undoubtedly you possess abilities that can be used.

Pin down your assets. List the things you've always been good at. Set your aims. What kind of a job do you want this time?

Don't worry about slowing down. You may be over emphasizing the problem out of fear.

Face the possibility that you may have to change your occupation, take less pay, move to another location or work odd hours.

Learn how to look for a job. When you go out to sell yourself to an employer, don't apologize for your age; be matter of fact. Above all, hang on to your self-confidence. Somewhere there's an employer who needs your experience and abilities.

MURPHY RETURNED TO SAN DIEGO AFTER AMPHIBIOUS EXERCISE

William A. Murphy, radioman third class, USN, son of Mr. and Mrs. Robert G. Murphy of Route 2, Bethel, and husband of Mrs. Lea B. Murphy of Oakland, Calif., returned to San Diego, Calif., Nov. 4 aboard the dock landing ship USS LST-1041 after participating in an amphibious landing exercise at Aliso Canyon, Del Mar, Calif., as a member of Navy Beachmaster Unit 1.

The operation involved over 11,000 Marines of the 1st Marine Division and personnel of the Navy's Amphibious Force. Beachmaster Unit 1 is made up of amphibious specialists who land with the troops and control beach traffic from the shore. In addition they assisted landing craft and vehicles to negotiate the heavy surf and maintain radio communications with the amphibious task force.

COMMENTS FROM THE TOWN MANAGER'S OFFICE

You may be interested in knowing that we have already received slightly over 33% of the 1956 taxes to date. I think this a very fine showing in view of the very late date the bills were mailed out. I hope the month of December may give more people time to get their taxes in before the books close Dec. 31.

The prior year's accounts have been reduced quite a lot. This year, a few accounts going back more than twenty years have also been taken care of this year due to the number of years back added to some honest misunderstanding on the part of the taxpayers two of these were adjusted somewhat. Thank you, O. T. Roselle

LOANS FOR REFINANCING

Additional details of Farmers Home Administration loans for refinancing of debts were explained today by Klynn R. Morrow, the agency's local supervisor.

Those loans help farmers who are otherwise in a sound position but who are unable to meet their present credit obligations and need credit on more favorable terms and conditions than are currently available from other lenders. Both real estate and operating loans are available for refinancing purposes to owner-operators of farms no larger than family-size. Operating loans for refinancing purposes may also be made to part-owners and tenant operators. The applicants must have adequate security and be carrying on sound farming operations.

The purposes for which loans may be made include refinancing secured real estate debts and the payment of debts secured by liens on livestock, farm equipment, and harvested feed. Under certain conditions loans also may be made for the payment of unsecured debts.

Loans will not be used to refinance any debt until it has determined that the present creditor or other credit sources are not able to provide the applicant with adequate credit on terms that he could reasonably be expected to meet.

The applicant must be of legal age, be a citizen of the United States and have had farm experience sufficient to indicate reasonable prospects of conducting successful farming operations.

Like other Farmers Home Administration loans, the eligibility of the applicant is determined by the local county committee.

MAINE TURKEYS FILL THE BILL FOR HOLIDAY SEASON

Maine turkeys fill the bill for good eating at the holiday season and throughout the season. Maine raises high-quality turkeys of various sizes. Also, large cuts can be halved or quartered and some pieces frozen for later use. Farmers' Bulletin No. 2331, "Turkey on the Table the Year Round," tells about sizes, styles, pieces that please, preparing, cooking, and what to do with leftovers. Copies are available at County Extension Service offices.

There will be a Girl Scout Leader and Troop Committee meeting at Mrs. Fath Brown's this Thursday afternoon at 2 o'clock.

H. KIRKE STOWELL

H. Kirke Stowell, president of the Stowell Silk Spool Company, Bryant Pond, died suddenly at his home Monday night from an acute heart attack.

He was born at Dixfield, Jan. 28, 1894, the son of Newton S. and Edith Gates Stowell. He was a graduate of Dixfield high school and of the University of Maine, in 1923, and a member of Phi Mu Delta Fraternity. He came to Bryant Pond in 1928, as superintendent of the Stowell Silk Spool Co., and became president in 1945. He was a member of the New England Woodturners' Association and a deacon of the Bryant Pond Baptist Church. He served the town as a Library Trustee and on the Board of Selectmen.

He is survived by his widow, Tressa Milton Stowell, whom he married in 1926; by three daughters, Mrs. Sally Curtis, Troy, N. Y., Miss Sylvia Stowell, Stoneham, Mass., and Mrs. Sandra Seaver, Boston; two sons, Dexter M., South Paris, and David P., Bryant Pond; two brothers, Arthur N., Dixfield, George P., Andover; one sister, Mrs. Isabel Russell, Dixfield; and a granddaughter.

Funeral services were held Thursday at 2 p. m. from the Bryant Pond Baptist Church, with Rev. G. E. Lindahl, officiating. Interment was at Lakeside Cemetery.

CALVES FOR SHIPMENT INTO OTHER STATES MUST HAVE BRUCELLOSIS SHOTS

Additional requirements for importation of cattle into other states make it necessary for Maine herd owners increase present calfhood vaccination practices. If the Pine Tree State's export business is to continue the Maine Department of Agriculture states.

Francis C. Buzzell, chief of the Department's Division of Animal Industry, said new regulations governing shipments to Vermont require that "all female cattle over six months of age (except for slaughter) must be officially vaccinated for Brucellosis and all female cattle over 20 months of age x x x must have passed a negative Brucellosis test."

Buzzell added, in a letter to livestock dealers, that Connecticut and Rhode Island "now have similar requirements, and Massachusetts will x x x after January 1, 1960, according to their present laws."

In the 12 months ending June 30, this year, Maine shipped 2,056 head of breeding or replacement stock to Massachusetts, 1,773 head to Connecticut, 389 to New Hampshire, and 124 to Vermont.

Maine became a modified certified Brucellosis free area, the third state in the nation to gain such status, in 1953.

Greentown Park School was closed Wednesday because of a plugged sewer pipe on Chapman Street.

A full list of valuations and taxes assessed this year in the Town of Bethel will be published in the Citizen Dec. 6. This is the first time such a list has been printed. Many years ago the "heavy taxpayers" (over \$50) were listed in less than a column. The listing next week will cover nearly two pages.

P.O. DEPT. URGES CARE IN SENDING GIFT PACKAGES

Pointing up the need for cooperation on the 1956 "Mail Early For Christmas" Campaign, Postmaster Ida M. Packard says if you will follow these three simple rules, all of your gifts can be delivered before Christmas Day: Wrap them securely. Address them correctly. and Mail them early. Amplifying these rules, the Postmaster said, "Avoid the risk of mailing poorly wrapped packages. Use corrugated mailing cartons, plenty of heavy brown wrapping paper, and be sure that every package is tied with strong cord. Cartons containing several gift packages should be stuffed with tissue or old newspapers to cushion the shocks."

Speaking about correct addressing of Christmas gifts and cards, the Postmaster said: "Be sure your Christmas mailing list is up-to-date and that you have the complete name, address, zone number, city and state for everyone on your list. Send all your Christmas cards by First-Class mail, because they will be processed and delivered quicker, and they'll be forwarded or returned, if it becomes necessary." Only Christmas cards sent First-Class mail may carry written messages, a custom everyone enjoys. Moreover, Christmas card envelopes smaller than 2 1/4" by 4" or larger than 9" by 12" require hand cancellation, and thus must carry First-Class postage.

The Postmaster urges everyone to secure free labels at the Post Office marked "All For Local Delivery" and "All For out of Town Delivery." Then, sort your Christmas cards accordingly, tie them in two separate bundles with each address facing the same way, and attach the correct label to each bundle.

Early mailing of all Christmas gifts and cards is the biggest factor in getting everything delivered before Christmas, according to the Postmaster. The whole Christmas mailing period is a battle against time. Delays now in getting your Christmas cards and gift packages to the Post Office may cause a slow-up all along the line. Then, there's always the danger that commercial shipments and incoming Christmas mail will conflict with the outgoing operations.

In conclusion the Postmaster said that she was glad to see that many people are getting the Christmas gifts and cards for distant points mailed this week, pointing out that all mail going long distance should be sent before December 16th at the very latest.

Wayne Strout bagged a 310 pound buck while hunting Friday morning.

The first important snowfall of the season came Monday amounting to nearly a foot and resulted in slippery surfaces for a while. A storm on Sunday, Nov. 18, kept the ground covered until Thanksgiving day, when rain the night before left all roads bare and mostly well dried off.

Conservation Farming In Oxford County

by Douglas L. Marston

Soil Conservation Service

Oxford County Soil Conservation District Supervisors appointed C. Smith of Bethel as Supervisor. The District of Supervisors now includes C. Andrews, Fryburg, chair-

man; Robert D. H. Bethel, Secretary; W. Henry Hebron, Treasurer, and Edmund C. Smith, Bethel.

The Supervisors met with County Commissioners on November 20 to discuss possible appropriation to expand the

trick's program.

Robert D. Hastings of Bethel wanted the District's present status and also the expansion program.

The planned District program includes a small woodlot crew, small marked lots, and a direction of the State Forest primary need for this project. The District's tree planting program a small truck is needed for transportation of the trees and machines and crew.

Bad weather prevented the largest land-leveling and

age projects from being completed this fall. The Monmouth Company started a large project their land at Canton Point, and cold weather prevented completion this fall. The

involves about 50 acres of land, and it will be planted to corn next spring.

STATE OF MAINE

To all persons interested in the Estates hereinafter named:

At a Probate Court held at Bethel, Maine, on the 13th day of November, 1956, the following matters having been presented for the action they hereinafter indicated, it is

Ordered:

**Conservation Farming
In Oxford County**by Douglas L. Marston,
Soil Conservation Service

Oxford County Soil Conservation District Supervisors appointed Edmund C. Smith of Bethel to succeed Warren Abbott of Rumford as Supervisor. The District Board of Supervisors now includes Philip C. Andrews, Fryeburg, chairman; Bertrand C. Buck, Buckfield, Vice-Chairman; Robert D. Hastings, Bethel, Secretary; W. Henry Allen, Hebron, Treasurer, and member, Edmund C. Smith, Bethel.

The Supervisors met with the County Commissioners on November 20 to discuss possible County appropriation to expand the District's program.

Robert D. Hastings of Bethel presented the District's present financial status and also the planned expansion program.

The planned District program includes a small woodlot crew to operate small marked lots under the direction of the State Forester. The primary need for this project is a smaller crawler-type tractor. For the District's tree planting program a small truck is needed for transportation of the tree planting machines and crew.

Bad weather prevented one of the largest land-leveling and drainage projects from being completed this fall. The Monmouth Canning Company started a large project on their land at Canton Point, but wet and cold weather prevented final completion this fall. The area involves about 50 acres of Intervale land, and it will be planted to sweet corn next spring.

STATE OF MAINE

To all persons interested in either of the Estates hereinafter named:

At a Probate Court held at Paris, in and for the County of Oxford, on the thirteenth day of November in the year of our Lord one thousand nine hundred and fifty-six, from day to day from the thirteenth day of said November. The following matters having been presented for the action thereupon hereinafter indicated, it is hereby Ordered:

That notice thereof be given to all persons interested, by causing a copy of this order to be published three weeks successively in the Bethel Citizen a newspaper published at Bethel in said County, that they may appear at a Probate Court to be held at Rumford on the first Tuesday of December A. D. 1956, at 10 o'clock in the forenoon and be heard thereon if they see cause.

John A. Angevine, late of Bethel, deceased; First and Final Account presented for Allowance by Gladys T. Angevine, Administratrix.

Niles L. Kellogg, late of Bethel, deceased; First and Final Account presented for Allowance by Thelma Kellogg, Administratrix.

Witness, Robert T. Smith Judge of said Court at Paris, this thirteenth day of November in the year of our Lord one thousand nine hundred and fifty-six.

GOULD ACADEMY

The 1956-57 Gould Academy basketball season will get underway Tuesday, Dec. 4, at 7:30 p. m. The Huskies will open with Mechanics Falls High School on the Gould court.

Czech Wendell Brewster has not made his final cut as yet and over twenty boys are still battling for starting assignments. The Huskies have only two lettermen returning from last year's varsity squad.

Captains John Ciddings of Augusta and Jim Murphy of Bethel are the returning lettermen. Jerry Snell of Hallowell and Fred Feltner of Bethel, both members of last year's junior varsity squad, are the only other experienced players out for the squad.

The annual Boys' Dorm Party will be held Saturday evening, December 1st, at 7:30. First on the agenda will be the girls' inspection of the boys' rooms. The girls will then vote on the most decorative room.

A girls' scavenger hunt will follow and prizes will be awarded to the first three girls who collect all items.

A boys' variety show will be held in the game room of Holden Hall. The show will include a double quartette, a Dixieland Band, a wrestling bout, pitting the Masked Menace against Calahad and a skit, "If Men Played Bridge as Women Do."

New Task-Force 57 Chevrolet Trucks!They "flattened" Yukon mountains
with the most modern truck V8's of all!

Rated G.V.W. of these payload-carrying heavyweights goes all the way up to 32,000 pounds!

New V8-powered '57 Chevrolet trucks, heavily loaded, made one of the world's toughest roads look easy! In a straight-through test run, they rolled over the famous ALCAN Highway in Alaska—in less than 48 hours (normally a 72-hour run). Here's proof-in-action of power that'll handle your toughest jobs—and keep coming back for more!

Whatever your job, there's an Alcan-proved Chevrolet Task-Force truck ready right now to save you time and money!

Six new Task-Force huskies made the run. And six ultra-modern Chevy engines proved their power and performance—with gas mileage up to 18.17 miles per gallon! Two of the engines were not stopped once, and they hummed along at peak efficiency the entire 1,520 miles!

Chevy's big V8's—including the new 283-cu.-in. Super Taskmaster—turned in top performance jobs. They hauled typical loads up and down towering grades and through washouts that sucked wheels into hub-deep mud. They roared on through miles of heavy dust that narrowed visibility to a few hundred feet. And in spite of the varying altitudes and temperatures, not a single truck was forced to drop out or turn back! Stop by and see them soon!

Proved on the Alcan Highway

ACROSS the DESK

From The Independent, Fresno, California, N. C. Thanks to the progress made in science and medicine, we have reason to expect to live longer lives than people in the past. Unless we make more progress in the manner in which we deal with older citizens, however, those extra years will be unhappy and lonely ones for many people.

Recently an official of the Department of Health, Education and Welfare called for work centers where older people can be trained in new skills, or where their old skills can be put to use. At such centers, elderly people could set their own pace, work at tasks they enjoy doing.

Even more important than the fact they would be earning money would be the sense of satisfaction and usefulness such employment would give them. Their lives would have a purpose in the words of one citizen, "It's better to wear out than to rust out."

From The Granite State News, Wolfeboro, New Hampshire: Talking a while ago with a high-ranking Air Force officer, we were a bit shocked to hear him remark regarding protests from a city after a jet had smashed and burned a building. "It is about

time the civilian population began to realize the danger of death and injury due to training risk of the men in uniform."

But the more we considered the remark, the more righteousness it drove home.

Night fighters and interceptors must train over the areas they may be called upon to protect. Pilots and crews must train out of the airports, the more righteousness it drove home.

And fighter planes are no longer the glamorized wood and canvas cranes of World War I, carrying thirty caliber guns and perhaps forty gallons of gasoline. When the present day jet crashes, it is a matter of five tons or better of screaming metal, pods of rockets and hundreds of gallons of fuel oil hitting with earthquake effect.

In this year of our Lord nineteen hundred and fifty-six, as a nation, we are playing for keeps. It war breaks it will sweep over the top of the world with the speed of sound and there will be no time for drills and no time for second guessing. Everyone will be in that war, if it should come, from the old man in his terminal illness to the new born babe.

MAGALLOWAY

Mrs. Bessie Harvey, Correspondent
LESTER LEWIS LITTLEHALE
Lester Lewis Littlehale, who died Nov. 18 at Boston at the age of 66, was born Feb. 18, 1900 at Magalloway Plantation and was the second son of Peter J. and Sadie Bean Littlehale. Mr. Littlehale lived the most of his life in Wilson's Mills.

He is survived by his wife, Mrs. Gwendolyn Mann Littlehale; one son, Norman; a sister, Mrs. Iver Johnston, all of Wilson's Mills; also three brothers, Fawne of Rockland, Werner and Gerald of Wilson's Mills.

The funeral was held at 2 o'clock on Nov. 21 at the Wilson's Mills Church, with Mr. Duke conducting the services and Mrs. Duke as organist. There was a large attendance and many beautiful flowers. Interment was in the Wilson's Mills cemetery.

Mr. Littlehale was a kind friend and good neighbor, always ready to help in times of trouble and will be greatly missed.

Pfc. Frederick Abbott of Fairfield, his sister, Sharon Abbott, and her fiancée, both of Waterville, spent Thanksgiving with Mrs. Bessie Harvey.

Mr. and Mrs. George Strang and son, Joseph, of Berlin, N. H., and Mr. and Mrs. Alton Fogg of Colebrook visited Fred Bennett over Thanksgiving.

Mr. and Mrs. Harold McGinley of Whitefield, with their family and friends, spent the holiday week end at their summer place here. Mr. McGinley is improved in health following surgery at the Hanover hospital.

Mrs. Lester Littlehale has returned to her school this week. Mrs. Leon Bennett has been substituting during Mr. Littlehale's illness and death.

The Bergerons of Berlin are at over their camp this week.

Mrs. Bessie Harvey took supper Wilson's Mills and Magalloway with her son and wife, Mr. and Mrs. and will be reported next week.

WEST BETHEL

Mrs. Ruth Gilbert, Correspondent
Mr. and Mrs. Allen Walker and family were at Berlin, Friday.

Mr. and Mrs. Richard Walker and Diana and Mrs. Arthur Gilbert and children were at Berlin, Friday.

Tomorrow's better roads
will be CONCRETE

America is undertaking her greatest highway improvement program. Many new roads must be built and older roads modernized to carry the faster, heavier and greatly increased traffic of today—and tomorrow.

The first step to a safe and adequate system is to provide longer sight distances, wider curves and lower grades—and to use divided lanes where traffic volume is heavy. The second is to build with the safest, most economical and durable pavement. That's concrete.

Concrete is skid-resistant, wet or dry, and reflects more light at night. It is moderate in first cost, requires less maintenance and has a life expectancy twice that of the next most durable pavement commonly built.

Tomorrow's better roads should be paved with the best pavement. That's safe, low-maintenance concrete.

LAFF OF THE WEEK

"Hansen, I have something to present to you today, that I'm sure will make you very happy..."

NORTH WATERFORD

Josephine Sanderson, Cor.

Two Fowler, Ind., hunters, Melvin LaGue and Jim Berry, became lost on Blackguard Mountain for several hours and were found on Ray Hill by Reg. Guide Albert Weymouth and party, late at night.

They started out hunting in the Five Kenars and became lost in the dense fog. Weymouth recognized their plight when they failed to return as planned and knowing the general direction they were to hunt in, a search was started and after hearing several successive shots in the Ray Hill section, they drove to the Berry's summer home and fired several shots in answer to those heard there, and got answering shots on the hill and soon located the lost hunters. They were mighty glad to get back to their boarding place and a hot supper that night.

Mr and Mrs Henry Lord and family, Franklin, Mass., spent the holiday with his parents, Mr and Mrs Stanton Ray.

Mrs Dwight Morrill and daughter, Bethel, spent Sunday with her parents, Mr and Mrs Henry Sanderson.

Thanksgiving guests of Mr and Mrs Stanton Ray at their cottage were, Mr and Mrs Winfred Knight, Norway; Edward Jackson, Harrison; Mr and Mrs Harvey Lord, and family, Franklin, Mass., and Mrs W. H. Ray, Waterford.

The hunters staying at Henry Sanderson's the past three weeks have returned to their homes. Those taking back deer were Robert Baker, Henry Happy and John Miskerik, all of Ramsey, N. J.

Homer Persinger got a nice doe, Tuesday. Other lucky hunters the past week were Capt. Jack Cushman of Winthrop, Mass., Gordon Emalle, South Weymouth, Mass., Vivian Hatch, Charlie Kimball, and Stanton Ray, all of North Waterford.

Henry Sanderson got his deer Saturday.

HOW TO HELP YOUR
YOUNGESTER LEARN

Whether your young child is exceptionally bright or not, there are some ways to help him learn: Let him talk as much as he likes. And listen. Speak correctly to him. Answer his questions patiently—even when they get on your nerves.

Read to him. When he grows restless, though, let him go. Stick to good books.

Encourage him to reason, to plan ahead, to follow instructions. But don't press him to learn. And don't teach him to read—that's a specialist's job.

Have faith in him. If he's like other kids, fine. If he's different, that's fine, too. Let him know that he's yours and he's okay.—Changing Times.

FROM OUR FILES

18 YEARS AGO

The planer mill of L. E. Davis and newly mill of F. J. Tyler were totally destroyed in an 11 p. m. fire during a high wind. The building was the last of the former corn shop buildings and also housed the town tractor and snow removal equipment. The tractor was saved. Loss was estimated at \$12,000. Mr. Davis bought the cornshop lot of Mr. Tyler and announced plans of building a mill of concrete near the railroad siding.

Embers from the planer mill fire started grass fires near the home of Daniel Forbes and near Main, Clark and Vernon Streets.

Richard Davis moved his saw mill from Middle Intervale to East Bethel.

All employees of the E. L. Tebbets Spool Co., Locke Mills, received a pay increase of 15 cents an hour.

Deaths: Carl Godwin, Ellis Doble.

26 YEARS AGO

The Bethel Outing Club was organized in the interest of local winter sport enthusiasts and those seeking to attract tourist trade to the vicinity.

Rev John G. Master was ordained to the ministry at Upton.

The family of Lewis J. Mans of West Paris escaped in their nightclothes when their home was badly damaged by an early morning fire.

The Grand Trunk railway announced a new fast train between Island Pond, Vt., and Portland. The train left Bethel at 8:41 a. m. and returned here at 7:07 p. m. The Bethel-Portland time was less than two hours.

Temperatures of 18 below zero were reported on the morning of the 28th.

The new pipe organ at the Bethel Methodist Church was dedicated at a Sunday afternoon service.

Deaths: William F. Dean, Mrs. Cora Doughty, Edna Irene Skilling, John Carter (formerly of Frye).

MAINE FARMER NAMED TO NATIONAL DAIRY ADVISORY COMMITTEE

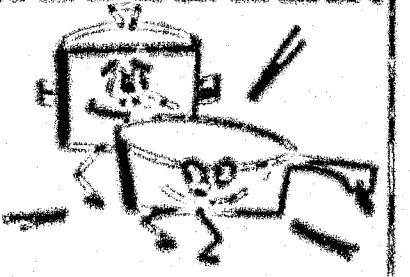

Harold J. Shaw, of Shaw's Ridge Farm, Sanford, has been appointed a member of the Dairy Research and Marketing Advisory Committee of the U. S. Department of Agriculture. Shaw is well qualified to serve on the committee. After attending the University of Maine and serving as a county agent in Maine, he became one of the nation's outstanding dairy farmers. Shaw has served as president of the Holstein-Friesian Association of America.

The Maine Department of Agriculture is that section of the State government which is charged with the administration of State laws in relation to agriculture. While the duties of the department are primarily regulatory, it was promotional functions within the discretion of the commissioner.

The meeting of the Daisy Chain Club was called to order by Sharon York, president. We had the flag salute, club pledge and secretary and treasurer's reports. We played games to pass our Game Pledge afterwards. Sec., Elizabeth Waldron.

Brown's Troop 3 met at the home of its leader, Mrs. Betty Robertson, with Mrs. Beatrice Lowell, assistant leader. Maryvonne Rolfe furnished refreshments. We learned a new song and dance. The meeting was closed by singing Taps.

News of 4-H CLUBS

The Lucky Thirteen 4-H Club met Nov. 26 at the home of their leader, Mrs. Abbie Brown. There were seven girls present and no meeting was held. Donna Rice and Julia Brown helped us finish our dolls. Refreshments for next meeting: Julia Brown, Bonnie Kanner.

We had an early meeting on Nov. 21, 1956. The president was absent so the meeting was called to order by the vice president. The leader talked about how to set a table correctly, and how to make a cold slaw. Reporter, Sharon Nowlin.

Bethel Busy Bees: We met at Mrs. Edith Robertson's and sold our 4-H club pledge. We elected officers: President, Norma Kimball; Vice President, Carol Flint; Secretary, Jackie Saunders; Treasurer, Nancy Brown. Flag bearers are Sue Kneeland and Charlene Rice. Cheerleaders are Deedee Douglas and Martha Keniston. Nancy Brown and Charlene Rice will bring refreshments. We sang songs after the meeting. There are nine members in our club.

ORLEANS MAID... Jean K. Sora, 17, of Marshfield, N. H., was awarded for this role in "Rosalie Jean" show, beating 18,000 rivals.

BETHEL BOWLING

The highlight of the week was the match between the Legion and the Vets, which ended in a tie. One roll-off string was bowled to decide the points won, with the Legion gaining a split 114 to 100. Vets' Crockett, had a 325 and Pete Wheeler a close 308. Guy Parker had a 314 for the Vets.

The Masons took the Central Alleys 1448 to 1283. The A&P took Bennett's over, 1153 to 1262.

A big turn-out showed up Saturday forenoon in the grammar school league. They decided to wait one more week to choose their captains and teams.

Results for the week ending Nov. 24th.

RED CROSS APPEAL FOR HUNGARIAN REFUGEES

The tragic suffering of the people of Hungary has caused American to want to send this help has gone from the American Red Cross, and it has joined by other Red Crosses throughout the world in a medical supplies, food, clothing and other necessities to the area. The Red Cross is a international agency that is now in Hungary as well as in thousands, the Austrian government turned to the Red Cross assume responsibility for the 30,000 refugees have already over the Hungarian border daily addition numbers pour in. The needs continue in Hungary as well as among the refugees who have fled. The Red Cross must have additional funds to help meet the need for food, medical supplies and other essentials. There could hardly be a way to show your Christmas than by making a gift to the fortunate people. Send or leave donations with your branch chairman Vance Richardson, Bethel.

SHARE YOUR BLESSINGS

Hunger hurts...and today's people more than half of the people in the world. Tiny children, their bodies only bones from nutrition, seated around a table, fill their parents' eyes with despair. Some of these children have never known the tentment of a full stomach...live with perpetual hunger. Hunger hurts in almost every corner of the world.

In Greece, there are large numbers of war widows with children. Living on minute government of about 27 cents a day...

In India and Pakistan, with incomes and relatively high, the people cut their food consumption down to starvation. Inviting tuberculosis and malnutrition diseases...

In Korea, food is still needed. The resettlers. There has not been time for the land to be reclaimed and planted...

In Hong Kong thousands of refugees have fled from Red Cross...many later migrated but of two million who have remained one million are classed as refugees...

In Europe, more than 50,000 refugees have become refugees. Austria...many are enroute new homes...some are waiting to be resettled...and still others coming.

They all need a helping hand their time of need.

You can extend this help hand...through the CARE Campaign. Each dollar to the CARE Campaign, Boston, or local CARE office, will provide twenty-two pounds of nourishment to "someone in need"...gift in your name.

Please care...and share Holiday Blessings, through CARE.

A Civil Defense meeting will be held at the American Legion next Wednesday evening, Dec.
